The **Oliver McGowan Tier 2 Mandatory Training** is the Government's preferred and recommended face-to-face training for all CQC registered services to help their staff understand the principles of effective support for people living with a learning disability or autism.

As an approved provider of this training, Ethical Workforce Solutions can assist organisations with reclaiming the **full cost of the training** from the Skills for Care/Learning and Development Support Scheme (LDSS) by providing the required documentation for the claim that is uploaded to the LDSS portal.

The training is held over one day and is charged at £75 + VAT (£90) per learner and certificates and payment evidence through the LDSS will enable the reimbursement of the funding to the care provider.
